## **CITY BARBEQUE TO RELOCATE WESTERVILLE AREA RESTAURANT**

(WESTERVILLE, OH) – City Barbeque will close its restaurant located at 6199 Cleveland Avenue and relocate to a new Westerville location at 600 S. State Street in May.

“We’ve been looking for the opportunity to get into the heart of Westerville and be closer to neighborhoods, schools and families,” said Rick Malir, president of City Barbeque. “Our lease was ending at Cleveland Avenue and we felt it was an opportune time to relocate. We are hopeful our Cleveland Avenue patrons will travel to State Street and continue to enjoy their favorite hometown barbeque,” he added.

The last day of operations at the Cleveland Avenue location will be on May 12. A crane and wide-load transportation will be used to transfer the smokers to the new location on State Street. The new restaurant is scheduled to open in late May.

The new restaurant, designed by Meacham & Apel Architects of Dublin is constructed of brick and stone to match Westerville community standards and will seat 76 people inside and 57 outside.

The new City Barbeque in Westerville is located at:
